

## MALAY HEADBOARD

### Parts List (3 Parts)

1. Left Leg
2. Right Leg
3. Headboard Panel Assembly

**This Headboard is Semi-Assembled.**  
You only need to fasten the 2 x Legs to the Headboard Panel Assembly.

### Hardware

**A** Cam Pins x 4

**B** Cam Screws x 4

### Assembly For Legs

- ▶ Screw in Cam Pins (A) in small holes on the top rail of the panel assembly on both sides
- ▶ Place legs on their edges so that the flat part is on the working surface and screw in the Cam Pins (A) into small hole
- ▶ Turn the legs flat so that the smaller part faces up and insert the Cams (B) into the big holes provided on both sides of the bottom rail.
- ▶ Take a leg and orientate it so that the smaller part faces to the back and locate the dowels on top edge into the hole on the Top rail.
- ▶ Keep leg at a slight sideways angle to allow for the dowels on the bottom rail to locate into the provided hole on the leg. Slide Cam Pin (A) into the provided hole on bottom rail.
- ▶ **Repeat for the other leg and tighten all Cams.**

The Image may vary from actual product

### CLEANING INSTRUCTIONS

**NB: Clean with a damp cloth only.**

Excessive water will cause damage, voiding the warranty.
