

SOHO KING HEADBOARD ASSEMBLY

Thank you for supporting us.

We believe design belongs to everyone. From materials and processes to safety testing, production and delivery, we are passionate and committed to bringing you the best possible product so you can create a beautiful space to feel comfortable in.

Here are a few assembly tips before you get started:

Make Time

The first step to all seamless assembly is taking a moment to carefully read through the instructions- you are already on your way to create a beautiful functional space!

Set The Mood

Put on your favourite playlist, order a pizza and pour yourself a drink to get in the mood!

Tool Check

Layout the instructions, screws and panels to check you have everything you need. A blanket or soft floor rug will help protect your new favourite item from scratches and a drill will speed up the assembly too!

Room Reveal

You Did it! Take a step back and enjoy the moment. Don't forget to recycle any packaging.

Creating your home

Time to assemble 30 min - People needed 1 - Difficulty level 6/10 - Tools needed - Phillips screwdriver - allen key (supplied)

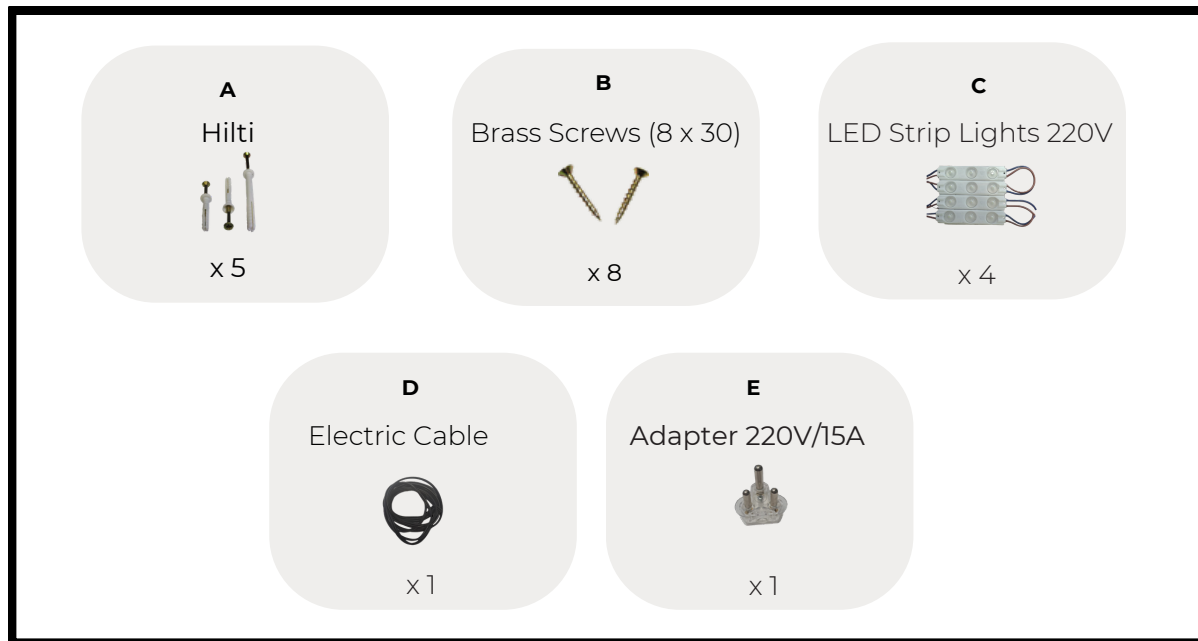

SOHO KING HEADBOARD ASSEMBLY

Parts List

1.	Headboard	X 1
2.	Gravity Cleat	X 1
3.	Legs	X 2

Hardware

WARNING: Any furniture that is not anchored to a wall has the potential to tip over in certain circumstances, i.e. if a child attempts to climb up on the furniture or in the event of an earthquake.

Accordingly, we recommend that all furniture is anchored to a wall.

Phillips screwdrivers required. For quicker assembly, we recommend the use of a power drill on a low-speed setting.

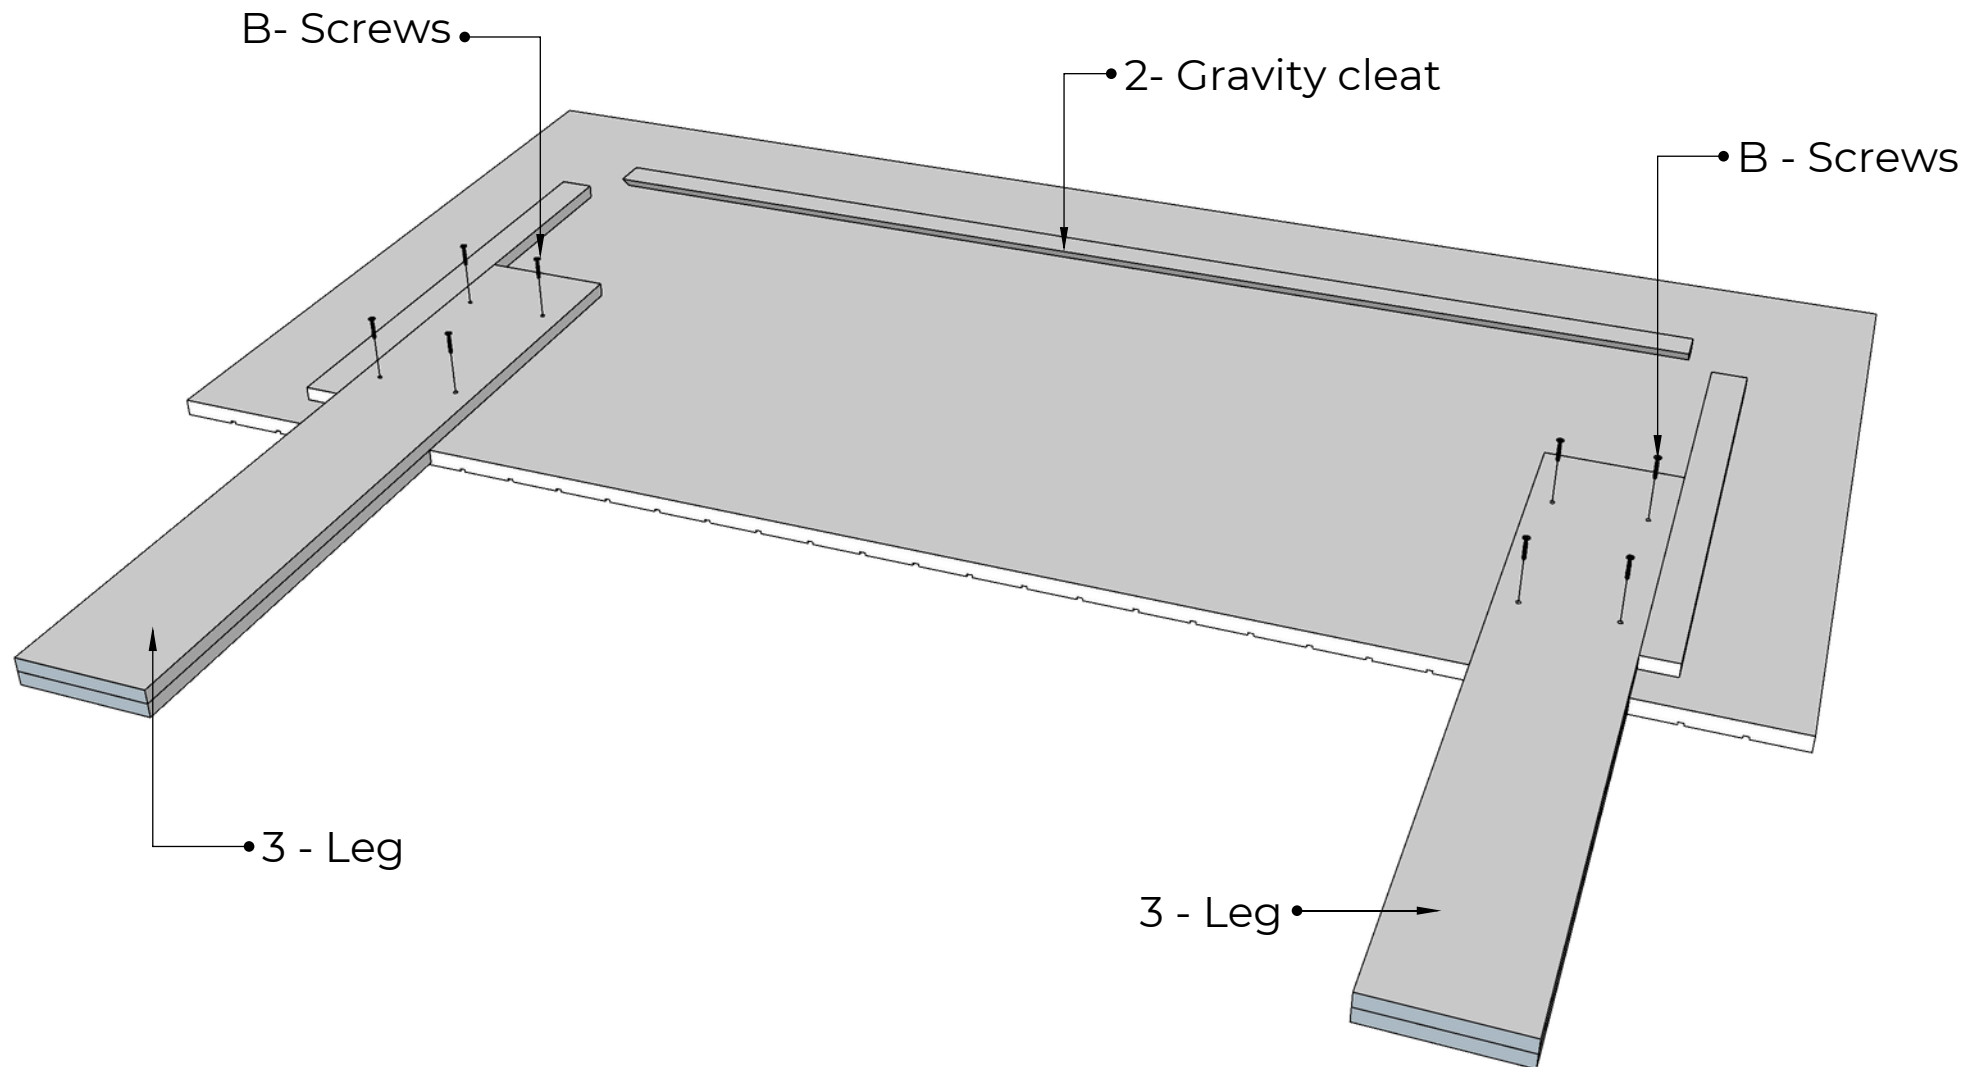

SOHO KING HEADBOARD ASSEMBLY

Step 1

Turn headboard **(1)** upside down and screw legs **(3)** to the back of the headboard **(1)** with supplied screws

SOHO KING HEADBOARD ASSEMBLY

Mounting Instructions

The headboard(1) is designed to be hung by a gravity cleat(2), the feet does not have to touch the floor.

Measure appropriate height on wall to be hung.

drill 6mm holes into wall and attach loose gravity cleat(2) to the wall with supplied hilti's(A). lower headboard(1) over the cleat(2) ensuring the two angled cleats(2) fits into each other over the whole width of the cleat(2).
